Sir:

Pursuant to 37 C.F.R. §1.56, the attention of the U.S. Patent and Trademark Office is hereby directed to the reference listed in the attached Form PTO/SB/08. This reference was cited in a European Search Report completed January 6, 2006 and issued in a corresponding European Patent Application. Pursuant to the Office's October 12, 2004 OG Notice, it is understood that 37 C.F.R. §1.98 no longer requires submission of a copy of each cited U.S. patent and published patent application, unless such copies are specifically required by the Office. Accordingly, a copy of the U.S. patents and published applications is omitted. A copy of the European Search Report is enclosed.

Assignee submits this information so that the Patent and Trademark Office may, in the first instance, determine any materiality thereof to the claimed invention. It is respectfully requested that the information be formally considered during the prosecution of this application, and that the listed references appear among the "References Cited" on any patent to issue herefrom.

Pursuant to 37 C.F.R. §1.97(e)(1), Assignee states that, on information and belief, each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the Information Disclosure Statement. As mentioned above, the cited European Search Report is dated January 6, 2006. Accordingly, no fee is believed due. However, in the event that a fee is due, authorization is hereby given to charge such fee to our deposit account number 19-0733.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Christopher L. McKee', is written over the typed name and registration number.
